Pricing TIPS:

✔ Create sets or bundles. Put outfits together if they were purchased together, or a set of same-size onesies. Bundle 6 pair of socks together, or several superhero figures. Shoppers love it, and you only have to create one JBF tag!

✔ Price non-clothing items (toys, books, games) at 1/3 of retail price!

✔ Can't decide on the price? You can price in $0.25 increments - try pricing up or down $0.25!

✔ We strongly recommend pricing ALL clothing to reduce. You'll see a bigger paycheck and you'll bless another local family by allowing clothing to reduce!
